1. AIRPORT TRANSFER: GUARULHOS - PIRACICABA

Register yourself in the respective enrollment in the "Alfândega" - Brazilian Customs, pick up your luggage and go to the airport exit.

Check if you have enough money to buy tickets for the trip to Piracicaba.

Change money in the exchange offices at the airport, if you do not have "reais" - Brazilian currency, we recommend you to change, at least \$70.

Remember to keep the money in a safe place and take care of your belongings.

Try not to lose your wallet with documents and money and keep it close to you all the time.

Ask airport ground staff, where Terminal 2 is. You will see the following sign:

Buy tickets for bus at LIRABUS (P.S.: there are two places for ticket sales; LIRABUS is the second one, counting from the airport exit).

There is a window entitled "Rodoviária" (bus station) to come to Campinas.

Below is a detailed photo of the bus and the departure schedule.

P.S.: The buses are in the same path, towards the end of Terminal 2.

TRANSFERS TO AIRPORT

LIRABUS does not make transfers between airports. The only transfer they make is between the airport and "Largo do Pará" or Campinas bus station and vice versa.

Once you arrive at Campinas bus station (it takes 01h30min to 2 hours of traveling) look for the following place:

Head yourself up to the second floor, by stairs or escalators, and look for the sign, which indicates "BILHETERIA" (ticket window) and look for "VIAÇÃO COMETA" (bus line). Buy your ticket to Piracicaba and check the boarding platform number on your ticket, which is located on the ground floor (it takes 1 hour of traveling from Campinas to Piracicaba, approximately).

Once you arrive at Piracicaba bus station, take your bags and your ticket. Ask the ground staff for a taxi or call your contact in Piracicaba to pick you up or to give your hotel/hostel/ boarding hostel overnight deals.
